RE: Police Record Check (PRC) - “Disclosure of Criminal Record Information” and a “Criminal Record Check for a sexual offence for which a pardon has been granted or issued”

Scouts Canada screens all adult volunteers for all positions and reviews suitability of all volunteers on an ongoing basis. As part of this process the adult volunteer is required to complete a Police Record Check (PRC), which includes a “Criminal Record Information” and a “Criminal Record Check for a sexual offence for which a pardon has been granted or issued”.

The PRC - Criminal Record Information and a Criminal Record Check must consist of any criminal convictions, outstanding charges, regardless of outcome, including those of stay of proceedings as well as those related to non-convictions.

Scouts Canada in BC-Yukon is a non-profit charitable organization incorporated by an Act of the Canadian Parliament on June 12, 1914. As a non-profit charitable organization it has Charitable Business Numbers (BN) for each of the three Councils in BC-Yukon.

Cascadia Council: 10776 1694 RR0203
Fraser Valley Council: 10776 1694 RR0014
Pacific Coast Council: 10776 1694 RR0011

It is understood that this Police Record Check (PRC), which includes a “Criminal Record Information” and a “Criminal Record Check for a sexual offence for which a pardon has been granted or issued” would be done at no or minimal cost.
